### Special virtues of this night

The special virtues of the night of Bara'at are:

1. Contrary to other nights where the last third of the night has special blessings and Allah descends to the lowest Heaven during this section of the night, on the night of Bara'at the special rain of mercy and forgiveness of Allah Ta'ala begins to shower down right from the beginning of the night and continues until dawn.
2. The sins of countless people are pardoned. As already mentioned, Allah Ta'ala's descension during this night to the lowest Heaven occurs from the very beginning, unlike other nights. Furthermore, the number of pronouncements seeking forgiveness far supercede those, which occur on other nights.
